PROJECT PROFILE: 02000007

**Gateway Center I
105 N Stewart Ct
Liberty, MO 64068**

From the beginning of construction to the final product, Billings Construction provided a qualified and professional team. All aspects of the construction were properly supervised and all issues and changes were dealt with in a highly professional manner.

We are very proud of the final product, and would consider Billings Construction for future projects and give them high recommendations.
